## Features & Benefits

### Performance

Consistent excellent growth and development in growing pig for all breeds.

### Convenient

No further mixing required. Flows well in silos, augurs, feeders.

### Consistent

Guaranteed to meet specifications for pigs at different ages.

### Palatable

Evenly ground to ensure better digestion and palatability

### Expert Formulation

Diet is specifically designed for the correct development of growing pigs.

## Feeding Directions

- Suitable for all ages.
- The nutritious diet is manufactured to meet the requirements of growing pigs at different production systems.

## Ingredients Selected From

Crushed wheat, barley, soybean meal, peas, canola meal, lupins, single cell protein, limestone, Mono dicalcium phosphate, salt, xylanase and phytase enzymes, broad spectrum mycotoxin binder, natural yeast cell additive and a specific vitamin and mineral premix. Beneficial additives may be added if there is a need to optimise gut health.

## Storage Requirements

Store in a vermin free, cool, dry place, protected from direct sunlight. Best within 6 months of manufacture date.

## Nutrition

Min. Metabolisable Energy	14 MJ/Kg
Min. Crude Protein	15.55%
Min. Crude Fat	2.44%
Min. Crude Fibre	3.77%
Min. Calcium	1.88%
Min. Salt	0.4%
Lysine (total)	1.06%
Methionine (total)	0.44%
Min. Linoleic	1.05%

## Warnings

Do not blend or dilute with any other feeds. Supply feed on an ad-libitum (ample) basis and always ensure pigs have unlimited access to fresh clean water. Do not feed to non-targeted species.

Medication - Does not contain antibiotics.

Withholding Periods - Meat: NIL

**This product does not contain restricted animal material (RAM).**
