## Features & Benefits

### Performance

Supports optimal growth and development in calves up to 300kg, ensuring robust health and vitality. Helps to develop and maintain the rumen papillae and absorptive surface area of the rumen.

### Convenient

Streamlines calf nutrition intake designed to meet their specific dietary needs effortlessly.

### Consistent

Reliable and balanced, promotes steady growth and muscle development in young calves.

### Palatable

Highly palatable blend that encourages regular intake and supports overall calf well-being.

## Feeding Directions

- Introduce grain gradually to avoid rumen upset.
- Suitable for weaners between 200-300kg.
- Feed at a rate of 1-2kg per head per day.
- Always offer a source of good quality fibre (Silage or hay) and pasture if it's available.
- Ensure livestock always have access to clean, fresh water.
- Recommended feed rates may vary, depending on fodder quality, stage of cycle and liveweight. Speak to a Reid Stockfeeds Nutritionist to obtain tailored advice for your individual circumstance.

## Ingredients Selected From

Barley, wheat, lupins, canola meal, soybean meal, molafos, canola oil, lucerne chaff, limestone, salt, acid buf, magnesium oxide, fylaxflo, milky vanilla flavour, oregano extract, and a vitamin and trace mineral premix.

## Storage Requirements

Store in a vermin free, cool, dry place, protected from direct sunlight. Best within 6 months of manufacture date.

## Nutrition
