**REID**  
Stockfeeds  
Trusted Performance

**Available In**

20kg  
Bags

800kg  
Bulka Bags

Bulk  
Loads

## Features & Benefits

### Performance

All-round dairy pellet suitable for most farms with pasture feeding, to ensure sufficient protein and energy intake.

### Nutritional

Fortified with a balanced supply of minerals and vitamins for maintaining rumen and good health.

### Buffered

Multi-ingredient buffering system to ensure a reasonable milk yield, especially in late lactation.

### Palatable

Highly palatable pellet, encouraging optimal intake and digestion.

## Feeding Directions

- Introduce pellets gradually to avoid rumen upset.
- Introduce at 1kg/head/day, once all cows are consuming, increase by 300-400 grams/ head/ day up to desired feed rate, before allowing ad lib access.
- Dairy cattle (Milkers) on ad lib access should consume 1-2% of their liveweight per day (as fed).
- Always offer a source of medium chop fibre (Silage or hay) and pasture if it's available.
- Ensure livestock always have access to clean, fresh water.
- Recommended feed rates may vary, depending on fodder quality, stage of cycle and liveweight. Speak to a Reid Stockfeeds Nutritionist to obtain tailored advice for your individual circumstance.

## Ingredients Selected From

Legumes, cereals and their by-products, oil seeds, limestone, canola oil, molafos, acid buf, ammonium chloride, urea, mono/di calcium phosphate, salt, essential oil, magnesium oxide, vitamin/mineral premix.

## Storage Requirements
