Features & Benefits

Performance

Achieve show and sale success with our specialised feed, promoting muscle development and presentation.

Convenient

Simplifies preparation with our animal friendly blend, tailored specifically for show and sale cattle.

Consistent

Ensures steady nutrient intake with our balanced formula, fortified for reliable support.

Safety

Offers a safe solution for the times your stock need the highest level of health and brilliant aesthetics.

Feeding Directions

- Introduce grain gradually to avoid rumen upset.
- Introduce at 500g - 1kg/head/day, and gradually increase by 0.5kgs/head every couple of days until reach targeted feed rate.
- Beef cattle on ad lib access should consume up to 2% of their liveweight.
- Always offer a source of long fibre (straw or hay).
- Ensure livestock always have access to clean, fresh water.
- Recommended feed rates may vary, depending on fodder quality, stage of cycle and liveweight. Speak to a Reid Stockfeeds Nutritionist to obtain tailored advice for your individual circumstance.
