Stockfeeds  
Trusted Performance

Gearing up for a show, preparing sheep for a sale or trying to breed the healthiest flock possible? This is the ideal solution for optimum health and productivity

## Available In

800kg  
Bulka Bags

Bulk  
Loads

## Features & Benefits

### Performance

Targets the show milestones to achieve desired results. Formulated to nourish sheep/rams in preparation for sales, exhibitions or breeding activities.

### Healthy

Tailored for effective management of the well-being, growth and structural development of Stud Sheep & Rams during their maturation.

### Buffered

Optimised buffering system for adult ram and stud sheep.

## Feeding Directions

- Introduce pellets gradually to avoid rumen upset.
- Introduce at 50-100 grams/head/day, and gradually increase to 2% of their liveweight/head/day.
- Always offer a source of long fibre (straw or hay).
- Ensure livestock always have access to clean, fresh water.
- Recommended feed rates may vary, depending on fodder quality, stage of cycle and liveweight. Speak to a Reid Stockfeeds Nutritionist to obtain tailored advice for your individual circumstance.

## Ingredients Selected From

Wheat, barley, corn, almond hulls, lupins, peas, canola meal, soybean meal, lucerne chaff, urea, canola oil, molaños, limestone, salt, dicalcium phosphate, sodium bicarbonate, sodium bentonite, magnesium oxide, magnesium sulphate, acid buf, vitamin/trace minerals premix, fylaxflo.
