Features & Benefits

Performance

Fuel robust muscle development and efficient growth in your cattle with our specially formulated feed blend.

Convenient

Simplify your feeding routine with our easy-to-administer feed, ensuring your cattle receive essential nutrients effortlessly.

Consistent

Promotes consistent growth and health, fortified with vital minerals and vitamins for overall well-being.

Palatable

Delicious feed blend, encouraging optimal intake and digestion for strong, thriving animals.

Feeding Directions

- Suitable for cattle greater than 300kg liveweight.
- Introduce grain gradually to avoid rumen upset.
- Introduce at 500g - 1kg/head/day, and gradually increase by 0.5kgs/head every couple of days until reach targeted feed rate.
- Beef cattle on ad lib access should consume up to 2.5% of their liveweight.
- Always offer a source of long fibre (straw or hay).
- Ensure livestock always have access to clean, fresh water.
- Recommended feed rates may vary, depending on fodder quality, stage of cycle and liveweight. Speak to a Reid Stockfeeds Nutritionist to obtain tailored advice for your individual circumstance.
